

# COMPLIMENT BOOK

## Instructions:

- 1.) Introduce the importance of kindness and positive affirmations in fostering strong friendships. Give a few examples of the characteristics of a good friend: a good listener, trustworthy, shares with you, cheers you up, etc. The compliments can also be about recognizing individual strengths, talents, or personal qualities that contribute positively to the classroom dynamic.
- 2.) Make a list of all the students in your class or group. Have students write a heartfelt compliment for each of their classmates using the template below (cut page in half).
- 3.) Once all the compliments are collected, compile them into personalized compliment books for each student. Pages can be holed-punch and tied together with string or yarn, or stapled together.
